Question:

With reference to Entergy's response to AECC 2-4g, based on the description Entergy provided for the expense category "IT Nuclear South Support", please provide the justification for recording these expenses to Account 566 – Miscellaneous Transmission Expenses rather than to Account 557 – Other Expenses, or other non-transmission O&M account.

Response:

Upon further review, total costs of $11,327 charged for IT Nuclear South Support to account 566 should have been charged to a nuclear function account.
