INFORMATION REGARDING KANSAS CITY POWER & LIGHT COMPANY AND KCP&L GREATER MISSOURI OPERATIONS COMPANY TRANSMISSION FORMULA RATE POSTINGS SEPTEMBER 24, 2014

The Annual Update of the Kansas City Power & Light Company ("KCP&L") and KCP&L Greater Missouri Operations Company ("KCP&L GMO") transmission formula rate templates provide the annual revenue requirements and rates that are to be effective for service using each company's transmission facilities during calendar year 2015.

Information Provided

The posted information includes a fully populated formula rate Excel spreadsheet for each of the two companies. The data used to update these spreadsheets includes the FERC Form No. 1 ("Form 1") annual reports for 2013 for KCP&L and KCP&L GMO as well as the following supporting data file that also was posted:

Transmission Upgrades. pdf

This file provides data that is not available from the Form 1 and that is required under the formula rate implementation protocols.

Contact Information

Questions or comments regarding the posted Annual Update of the formula rate templates can be e-mailed to Doug Hewitt at Doug.Hewitt@KCPL.com or to Matt Dority at Matt.Dority@KCPL.com.

Transmission Customer Meeting

A meeting to review and discuss the Annual Update of the transmission formula rates will be held on Wednesday, October 15 at 1:00 p.m. The meeting will be held in the company offices located at 1200 Main, Kansas City, Missouri. For those not able to attend in person, phone conferencing and web access will be provided.

If you intend to participate in the transmission customer meeting, please reply by e-mail by Monday, October 10. Please indicate whether your participation will be in person or remotely through the phone conferencing and/or internet. Your response should be sent to the attention of Carla Lomax at Carla.Lomax@KCPL.com. Carla also can be reached by phone at 816-556-2313. Additional meeting and phone/web access details will be provided at a later date.
