NOTICE OF ASSIGNMENT OF TRANSMISSION SERVICE REQUESTS

By Letter dated October 13, 2010 Eurus Granada, LLC ("Eurus") assigned and transferred all rights, obligations, and responsibilities for transmission service underlying Transmission Service Request ("TSR") No. 71707129 for Firm, Yearly Sliding, Point-to-Point Transmission Service on the PNM Open Access Same-Time Information System ("OASIS"), to TGP Granada, LLC ("TGP). The TSR is in study mode on the OASIS pending completion of respective transmission service facilities study. On October 13, 2010 PNM, Eurus and TGP each executed a three-party release document, that establishes the terms for transfer of the rights and obligations of the TSR from Eurus to TGP, and under which the parties agree the TSR, if accepted by PNM on completion of the appropriate study process, will become the exclusive transmission service rights of TGP.
