

REDISPATCH INFORMATIONAL POSTING
18 CFR §37.6(h)(4)(j)(2)

Redispatch of generation has not been offered through the study process and is not being used as a means to reduce congestion across any of the transmission paths posted by Avista. If redispatch is used in the future, Avista will post on OASIS all applicable information as required by 18 CFR §37.6(h)(4)(j)(2).
