

Discretion in Implementing NAESB Standards

Section 001-2.0 Standard Service Periods

APS offers the FIXED increment products as defined in the NAESB Workbook. However, APS does not offer SLIDING DAILY nor SLIDING WEEKLY service.

APS does not offer EXTENDED services as defined by NAESB. However, a customer can “batch” their FIXED increment requests, which is similar to EXTENDED services. The time period is fixed, and the duration eligible to be extended.

Section 001-2.4 Curtailment Priorities

APS has not adopted the NERC TLR Procedures. APS has adopted the NERC curtailment priorities.
