NOTICE TO NETWORK CUSTOMERS

In preparation for implementing the new business practices as outlined in the previous notice dated 4-17-07, OATI has provided a test environment for testing purposes. Currently, OATI is working on making the test environment fully functional. While we wait for that to occur, please take the time to see if all of your current OASIS users can login to the test environment at the following website address:

<http://test.cwo.oatioasis.com/cgi-bin/webplus.dll?script=/woa/woa-login.wml>

The user ids and the passwords are the same as your current production ids and passwords.

If you experience any difficulty logging in please contact the OATI HELP DESK at support@oati.net.
