# WARNING

You are about to enter

Acronym Hades

# APPLICATION PROCESS

- Eligible Customer (EC) must submit
  - Transmission Service Request (TSR) on BHBE OASIS
  - Written Application
  - Deposit of one month's charge
- Transmission Provider (TP) must notify EC within 15 days if application is deficient

# RESPONSE TO APPLICATION

- TP has 30 days after receipt of Completed Application to notify Eligible Customer (EC) if service can be provided or if a System Impact Study (SIS) will be required
- EC has 15 days to execute a Transmission Service Agreement (TSA) if service can be provided or application is deemed withdrawn

# SYSTEM IMPACT STUDY

- If SIS is required TP has 30 days to tender SIS Study Agreement (SISSA) to EC
  - SISSA includes estimated costs, scope of work, and time of completion for the study
- EC has 15 days to execute and return SISSA, with deposit for estimated costs, or application will be deemed to be withdrawn

# SYSTEM IMPACT STUDY

- TP has 60 days to complete
- SIS identifies
  - System constraints
  - Redispatch options
  - Conditional curtailment options
  - Direct Assignment Facilities or Network Upgrades required to provide service

# SYSTEM IMPACT STUDY

- TP notifies EC of SIS results upon completion: provide requested service without new transmission facilities or upgrades, or a Facilities Study (FS) will be required
- EC has 15 days to execute and return a TSA or application will be deemed to be withdrawn if service can be provided without FS

# FACILITIES STUDY

- If FS is required TP has 30 days to tender FS Study Agreement (FSSA) to EC
  - FSSA includes estimated costs, scope of work, and time of completion for the study
- EC has 15 days to execute and return FSSA, with deposit for estimated costs, or application will be deemed to be withdrawn

# FACILITIES STUDY

- TP has 60 days to complete
- FS includes good faith estimates of
  - Cost of Direct Assignment Facilities to be charged to EC
  - EC's appropriate share of the cost of required Network Upgrades
  - Time required to complete such construction and initiate the requested service

# FACILITIES STUDY

- EC has 30 days to execute TSA or application will be deemed withdrawn
