

CAROLINA POWER & LIGHT COMPANY

Offers to Relieve Congestion

Carolina Power & Light Company (CP&L) d/b/a Progress Energy Carolinas will allow the posting on OASIS of any third party offer to supply planning redispatch to relieve a congested transmission facility. The procedure for third parties to post offers to relieve planning redispatch congestion on CP&L's system is as follows:

1. Log onto the CPL OASIS and choose the "Notices" function
2. Within the Notices menu choose the "Message" function
3. Select the "Add New" function
4. Select the message category "Other" from the pull down menu
5. Enter the offer information in the message field
6. Set the other screen parameters as desired
7. Press the "Submit" button to post the message
8. Contact the Transmission Services Operator at (919) 546-2144 and advise of the posting.

Posting date = August 14, 2008
