

CAROLINA POWER & LIGHT COMPANY

Posting of Redispatch Costs

Carolina Power & Light Company (CP&L) d/b/a Progress Energy Carolinas is required to post on OASIS (1) its monthly average cost of planning and reliability dispatch cost for which it invoices customers, at each internal transmission facility or interface over which it provides planning redispatch or reliability redispatch service, and (2) also post a high and low redispatch cost for the month for each of these same transmission facilities. (Order 890, paragraph 1162)

Currently, CP&L is not providing planning or reliability redispatch service to any Customer, has not invoiced any Customer for such service and thus does not have any redispatch cost to post.
