

Progress Energy

FERC Matters – February 3, 2009

Progress Energy has created a webpage on the Progress Energy Internet web site to post the following information:

- Standards of Conduct information
- Rules, Standards and Business Practices
- PEC and PEF Current Transmission Tariffs, Most Recent Transmission Rate Filings, and Pending Transmission Tariff Filings
- PEC and PJM Joint Operating Agreement

Access the [Progress Energy – FERC Matters](#) webpage to view this information and other related documents.
