

Announcing Progress Energy Florida's Annual Initial Kickoff Transmission Planning Meeting

In accordance with the guidelines presented in FERC (Federal Energy Regulatory Commission) Order No. 890, Appendix 1 to Attachment K, PEF's (Progress Energy Florida) Transmission Planning Department will hold its annual initial kickoff meeting. The meeting will be held at the FRCC (Florida Reliability Coordinating Council, Inc.) offices, located at The Towers at Westshore, 1408 N. Westshore Blvd., Suite 1002, Tampa, Florida 33607-4512, on June 22nd, from 10:00am - 4:00pm.

Appendix 1 to Attachment K to FERC Order No. 890 provides a general overview of the transmission planning process and timeline, and is available on PEF's OASIS website at <http://www.oatioasis.com>.

All Customers and Stakeholders are invited to participate in an open dialogue consistent with FERC Orders and Rules.

An agenda will be provided prior to the meeting.

Please provide PEF, by e-mail at kickoff@pgnmail.com on or before May 22nd, the names and job titles of individuals that will be attending this meeting from your organization or member companies.
