IDAHO POWER COMPANY
NETWORK RESOURCE UN-DESIGNATION FORM

Customer Information

Network Customer Name: **Idaho Power Company**

Contact Person: **Scott Wilson**

Phone Number: **1-208-388-2200**

Network Resource

Network Resource to be un-designated: **JBSN**

Network Resource's Transmission Service Reservation or Legacy Transmission Registration number: **74825781**

Block Un-Designation
(Used if undesignating the same MW for at least a day or longer)

MW: _____

Beginning day and hour: 6/18/13 0:00

Ending day and hour: 6/19/13 0:00

WARNING: The failure to include the ending day and hour will result in the indefinite TERMINATION of the Network Resource designation for the resource.

Type "TERMINATE" on the line to indefinitely terminate the Network Resource designation.

_____

Transmission Service Reservation (optional)

The following transmission reservation registration number must be accepted along with this un-designation. If the transmission reservation cannot be ACCEPTED, then the network resource un-designation will be DENIED.

Transmission Service Reservation Number: _____

Shaped Un-Designation (One POD Per Day - Multiple Days Allowed, Multiple PODs - One Form for Each Day)

Use the following table to shape the Network Resource un-designation. To use this table insert dates of un-designation along the top row. Insert columns as necessary. Hours are identified in the left column. Insert the MW value to be un-designed in each hour on each day. Enter zero for those hours in which no un-designation will occur. The Network Resource will be re-designated at the end of each hour to be un-designated set forth below.

***Transmission Service Reservation (Optional)**

The above referenced transmission reservation registration number must be accepted along with this un-designation. If the transmission reservation cannot be ACCEPTED, the network resource un-designation for that TSR will be DENIED. If form is for multiple PODs, the REFUSED TSR with be omitted but the form will be ACCEPTED.

Declaration for Re-Designation

The following declaration applies in the event of a re-designation of a Network Resource. The resource to be re-designated satisfies the following conditions:

1. the Network Customer owns the resource, has committed to purchase generation pursuant to an executed contract, or has committed to purchase generation where execution of a contract is contingent upon the availability of transmission service under Part III of the Tariff;

2. at the end of the un-designation period, the resource is not committed for sale to non-designated third party load or otherwise cannot be called upon to meet the Network Customer's Native or Network Load on a non-interruptible basis; and

3. all the information contained in the Network Customer's Application pursuant to Section 29.2 of the Tariff remains in effect and has not changed.

Comments

For Pre-Schedule Day - Send this form via facsimile or e-mail (undesignation@idahopower.com) to:

Idaho Power Company
Attn: Pre-Schedule
Fax Number: 208-388-5504
Verification Number: 208-388-5146

Submit form as soon as possible but no later than 12:00 p.m. (PPT) of the pre-schedule day.

For Real-Time - Send this form via facsimile to:

Idaho Power Company
Attn: Interchange Operator
Fax Number: 208-388-6157
Verification Number: 208-388-2827

Refer to Business Practice Section 2.8.2

(For Bookouts: Forms submitted next business day can be sent to the Pre-schedule e-mail address noted above)
