

## VOLUNTARY CONSENT FORM

Idaho Power Company Transmission may not release information about any Interconnection project to Idaho Power Company's Energy Affiliate - Power Supply, without first having written consent from the Interconnect Customer, in order to comply with FERC Standards of Conduct Order 2004.

Attached is a Voluntary Consent Form, including a statement that Idaho Power Transmission did not provide any preferences, either operational or rate-related, in exchange for Voluntary Consent.

When the form is returned, it will be placed in that project file. The fact that Voluntary Consent has been given must be posted to OASIS under FERC Standards of Conduct Order 2004. A notice will be posted on OASIS referencing only the project number for confidentiality purposes under Idaho Power Company's OATT (Open Access Transmission Tariff).

The form should be sent to:

## Voluntary Consent Pursuant to 18 CFR 358.5(b)(4)

A non-affiliated Transmission Customer may voluntarily consent, in writing, to allow the Transmission Provider to share the non-affiliated customer's information with a Marketing or Energy Affiliate. The Transmission Provider must Post notice on OASIS of the consent along with a statement that it did not provide any preferences in exchange for the voluntary consent.

Pursuant to the Standards of Conduct 18 CFR 358.5 (b)(4), Customer Name or Project Number hereby consents to the disclosure by Idaho Power as a Transmission Provider to the Energy Affiliate personnel of Idaho Power, of Transmission Information or other information of Customer Name or Project Number, which is acquired or developed by Idaho Power in the process of Customer Name or Project Number's request for service. Idaho Power and Customer Name or Project Number acknowledge that this Voluntary Consent is limited solely to information disclosed in or related to this specific service request.

Customer Name or Project Number acknowledges that notice of this Voluntary Consent will be posted by Idaho Power on its Open Access Same-Time Information System (OASIS).

Customer Name or Project Number states that this Voluntary Consent has not been given in exchange for any preferences, either operational or rate-related from Idaho Power.

This Voluntary Consent form properly executed must be forwarded to the CCO for immediate posting on OASIS and entry in the Compliance Log.
