MISO will be going live with a new Scheduling system on Wednesday March 20, at 0001 EST. The new system, webTrans, will replace the current PSS.

In order for a smooth transition MISO will be configuring software which will require a brief outage on **Sunday March 17th between 11:40 A.M. and 12:00 P.M. EST**. During this time, MISO will not be accepting non-reliability Interchange Transactions or modifications.

MISO appreciates your patience during this transition.
If you have any questions, please contact Client Relations at 1-866-296-6476, option 1. For technical support from the Network Operations Center, choose option 2
