

Include Capacity Assignments in EQRs

Posted Date: July 12, 2007
Effective Date: July 13, 2007
Revision #: 1

FERC Order No. 890 ¶ 817 requires that Transmission Providers aggregate and summarize in an electronic quarterly report the data contained in transmission capacity reassignment agreements as a new product "Capacity Reassignment."

The Transmission Services group will gather this data from the transmission capacity reassignment agreements and submit it to the Regulatory personnel responsible for preparing the EQR. The Capacity Reassignment information will be included in the Third Quarter 2007 EQR.
