

**Creditworthiness
Process, Contact Information and Links**

All customers taking (i) any service under Schedule 21-NSTAR, the Local Service Schedule (“LSS”) for NSTAR under the OATT or (ii) any service provided under the Schedule 20A-NSTAR under the OATT, for service over the Phase I/II HVDC-TF or (iii) any FERC-regulated interconnection service from NSTAR must meet the terms of the Attachment L located in the respective schedules. The creditworthiness of each customer must be established prior to receiving transmission service from NSTAR. A customer will be evaluated at the time its application for transmission service is provided to NSTAR. The information requested under Attachment L should be forwarded to:

Paul Krawczyk
Lead Transmission Analyst
One NSTAR Way, NE390
Westwood, MA 02090
Phone : 781-441-8054

For Schedule 21-NSTAR, please refer to [Attachment L in Schedule 21-NSTAR](#).
For Schedule 20A -NSTAR please refer to [Attachment L in Schedule 20A-NSTAR](#).
