

NOTICE CONCERNING NORTHWESTERN ENERGY'S
COMPLIANCE WITH FERC ORDER NO. 638

For any future queued request for Monthly Firm Point-To-Point Transmission Service, NorthWestern Energy will comply with Order No. 638. NorthWestern shall first place the request in RECEIVED status. Within 30 days of the queued date, NorthWestern shall place the request in STUDY, ACCEPTED, or REFUSED status if a study is necessary, the capacity is known to be available, or the capacity is known not to be available, respectively.
