

Posting Requirement: **Voluntary Consent**

Effective: September 3, 2009

Purpose

The purpose of this document is to satisfy the posting requirement of 18 CFR 358.7(c), pertaining to transmission customer voluntary consent of disclosure of non-public information to the transmission provider's marketing function employees.

Statement

The following consents have been made:

- SP Newsprint Co. has voluntarily consented, in writing, to allow PGE to share SP Newsprint Co.'s customer data and information, including transmission and interconnection information with PGE's marketing and sales employees. PGE did not provide any preferences, either operational or rate-related, in exchange for SP Newsprint Co.'s voluntary consent. This consent expires on December 31, 2008. (posted: July 18, 2008 and reposted on September 3, 2009)

- Bonneville Power Administration has voluntarily consented, in writing, to allow PGE to share data concerning BPA's preschedule for loads located in PGE's control area with PGE marketing and sales employees. PGE did not provide any preferences, either operational or rate-related, in exchange for BPA's voluntary consent. (posted: June 22, 2007)

- PacifiCorp has voluntarily consented, in writing, to allow PGE to share data concerning PacifiCorp's Borderline Loads contained in PGE's control area with PGE marketing and sales employees. PGE did not provide any preferences, either operational or rate-related, in exchange for PacifiCorp's voluntary consent. (posted: June 22, 2007)

- Bonneville Power Administration has voluntarily consented, in writing, to allow PGE to share certain data concerning the provision of energy imbalance service to BPA with PGE marketing and sales employees. PGE did not provide any preferences, either operational or rate-related, in exchange for BPA's voluntary consent. (posted: April 15, 2008)

Note: This document has been reformatted, and had the Policy section added for clarity. The Statement section contains the original information unchanged as it was posted on April 15, 2008.
