Dear PacifiCorp Transmission:

For purpose of a meeting to discuss roll over rights scheduled for July 22, 2013, Bonneville Power Administration ("BPA") hereby voluntarily authorizes PacifiCorp's transmission business unit to discuss Bonneville Power Administration's transmission arrangements and information regarding AREFs 78170238 and 78170253, with the employees of the Commercial & Trading affiliate of PacifiCorp Energy that are invited to the meeting with BPA staff. This waiver is limited to discussions that occur at the meeting with BPA staff present. In addition, the Commercial & Trading affiliate employees agree to not use any information they receive in conjunction with this waiver for marketing or competitive purposes.

BPA acknowledges that PacifiCorp did not provide it any preferences, either operational or rate-related, in exchange for this voluntary consent.
