

OASIS Registration Process For “Accessing OASIS Data” and “Doing Transmission Business With” Platte River Power Authority

May 25, 2016

Platte River Power Authority (PRPA) is a Transmission Provider (TP) on OATI Inc.’s OASIS.

Your company is a Customer requesting the ability to purchase Transmission Services from PRPA.

1. **Register with NERC**
 - a) If you are not registered with NERC go to <http://www.nerc.com/gov/Pages/Members.aspx> and complete the online application form.
 - b) Follow procedures as specified by NERC.
2. **Register with the OATI Certificate Authority**
 - a) Go to <http://www.oaticerts.com/>
 - b) Follow procedures specified at this web site.
3. **Register with Transmission Provider PRPA**
 - a) Contact either Matthew Thompson of PRPA (at 970-229-1686 or thompsonm@prpa.org) or Derek Book of PRPA (at 970-229-5391 or bookd@prpa.org) to discuss which type of transmission service(s) you are interested in (e.g. Firm or Non-Firm Point-To-Point) and the necessary procedures. (Service Agreements may also be downloaded from <http://www.oatioasis.com/prpa/index.html>).
 - b) Submit two references with contact information from other Transmission Providers with whom you conduct transmission business.
 - c) If requested, submit credit information for evaluation of credit worthiness.
 - d) After Service Agreements are fully executed and credit approval (if applicable) have been given, then your company will be authorized to do business with PRPA on the OASIS.
