

## Request for Comments

From time to time, Transmission Provider may request comments on posted proposals and respond to such comments. Unless otherwise indicated in the posted request for comments,

Puget Sound Energy's Transmission Provider, in accordance with its Statement of the Process by Which PSEI Will Add, Delete, or Otherwise Modify the Rules, Standards, and Practices That Are Accessible Via OASIS, asks for comments to the posted document title WECC Strawman on Conditional Firm.

Note - This WECC Strawman Business Practice Conditional Firm Transmission Service describes the practices generally followed by PSE with respect to conditional firm service under its OATT and FERC Order No. 890; provided, however, in the event that such WECC Strawman Business Practice conflicts with the requirements of PSE's OATT or FERC Order No. 890, the provisions of PSE's OATT or FERC Order No. 890 shall govern. (For purposes of the WECC Strawman Business Practice Conditional Firm Transmission Service and for purposes of this business practice, reference to "Conditional Firm Service" or "Firm Transmission Service with the condition that the Transmission Provider may curtail the service prior to the curtailment of other Firm Transmission Service for a specified number of hours per year or during System Condition(s)" or "Conditional Curtailment Option" shall be deemed to be reference to the same type of Transmission Service under PSE's OATT.)

All comments should be e-mailed to [transmaster@pse.com](mailto:transmaster@pse.com).
