

OASIS Registration Process

SMD1 accepts applications for access to its transmission services from eligible customers or their designated agent. To acquire access to SMD1's offerings, complete the following steps:

1. Obtain a DUNS number from DUN & Bradstreet.
2. Register a NERC company code.
3. Sign a Point-to-Point Transmission Service Agreement with SMD1.
<\\Oms03\Planning\OASIS\Public Documents\Application Short Term Instructions.doc>
4. Register with OATI webCARESTM by following the instructions in the OATI webCARESTM registration document
<http://www.oatioasis.com/woa/docs/OATI%20webOASIS%20registration%20info.pdf>
5. Register your company with OATI by completing the OATI webOASIS Company Registration form. E-mail the form to support@oat.net
6. Register your users with OATI by completing the OATI webOASIS User Registration Form. E-mail the form to support@oati.net
7. The OATI Support staff will process the request during business hours (M-F 8:00a.m. – 5:00 p.m. CT).

Questions concerning the registration process should be sent to support@oati.net or contact the support personnel directly at 763-201-2020.
