

Service Agreements Requirement on Reassignment

Posted Date: April 29, 2009
Effective Date: July 13, 2007
Revision #: 002

Per Order 890 and the SPR OATT Section 23.1 “The Assignee must execute a service agreement with the Transmission Provider governing reassignments of transmission service **prior to the date on which the reassigned service commences.** “

The A-1 Attachment is the Form Of Service Agreement for the Resale, Reassignment Or Transfer Of Point-To-Point Transmission Service. NV Energy requests the A-1 Attachment be submitted a minimum of **15 business days prior to the date of submission of the Resale Transaction to the NV Energy OASIS.**

The A-1 Attachment is available on the public and secure OASIS homepage in the area on the left under the Open Access Transmission Tariff folder and OATT Agreements subfolder. The document is titled “Agmt-Resale Reassignment or Transfer Svc”.
