

SCHEDULE 5

Operating Reserve – Spinning Reserve Service

Operating Reserve – Spinning Reserve Service will be provided in accordance with SRP's Open Access Transmission Tariff Schedule 5 at a rate not to exceed:

\$13.16/MW-hour of Spinning Reserve Capacity

A Transmission Customer purchasing Spinning Reserve Service will be required to purchase an amount of reserved capacity equal to 3.5% of the Transmission Customer's network load responsibility in each hour for Network Integration Transmission Service. The billing determinant for this service shall be reduced by any portion of the 3.5% purchase obligation that a Transmission Customer obtains from third parties or supplies itself.
