

FIRM TRANSMISSION REQUESTS:

- Requests for Short-Term Firm Transmission Service must be made through the OASIS.
- For a valid request for Daily, Weekly or Monthly Firm Transmission Service for which Western has ATC, a response will be made to the requestor within the timing requirements listed below.
- All requests for Long-Term Firm Transmission Service must be made through the OASIS.
- All requests for Network Transmission Service must be made through the OASIS.
- The non-refundable processing fee of \$3,500 must be received by WALC within 5 business days of the OASIS request, or the request will be INVALID.
- Advance deposit of one month's transmission service not to exceed \$100,000 must be received by WALC within 5 business days of the OASIS request, or the request will be INVALID.
- Information required for a complete application, as defined in section 17.2 of the Tariff, must be received via facsimile (602) 605-2481, (use the Transmission Service Application form found at <http://www.oatioasis.com/> under any of WALC Long Term Applications) within 24 hours of the OASIS request, or the request will be INVALID.
- A Service Agreement will be forwarded after Western receives the required information.
- A request to add a new designated network resource to an existing Network Transmission Agreement, with a duration equal to or greater than one year, will be subject to the \$3,500 application fee. This application fee is consistent with Western's Tariff Section 29.2
- A request to add a new network load will be subject to the \$3,500 application fee. This application fee is consistent with Western's Tariff Section 29.2

Rollover Requests:

Any existing Long-Term customer that wishes to exercise its reservation priority must make an application for its new service term following the usual pro forma tariff procedures. Notification to exercise a right of first refusal for Long-term Firm under Section 2.2 of the pro forma tariff must be received by the Transmission Provider no less than sixty days (60 days) prior to the date an existing Long-term contract ends and the commencement of the new service. In

addition, the request to exercise roll over rights on WALC OASIS should be made by selecting Request Type of "Renewal".
