Amendment 1 to
Letter of Agreement 14-SNR-01875

Mr. Toxie Burriss
Operations Manager
Modesto Irrigation District
1231 11th Street
Modesto, CA 95354

Dear Mr. Burriss:

Under Letter of Agreement 14-SNR-01875 (LOA), the Modesto Irrigation District (MID) and the Western Area Power Administration's Sierra Nevada Regional Office (SNR) merchant have agreed that it would be prudent for SNR's merchant to have access to information on line outages on MID's Tracy-Westley #1 and #2 Lines.

The LOA expires January 1, 2016, but provides for one-year extensions of the LOA if both parties agree. Both MID and SNR agree that there will be mutual benefit in extending the LOA until terminated by either party. Therefore, by executing this Amendment 1 to the LOA, the parties agree to an extension of the LOA until either party provides a thirty (30) day written notice of termination to the other party.

If you are in agreement with the terms and conditions of this Amendment 1, please have the appropriate official sign and date both originals, have the signatures attested, and return one original to Ms. Ruth Nye, mail code N6205, at Western's Sierra Nevada Region Office.
