Prospective Transmission Customer:

The following steps are required to register your company and users on the OATI webOASISTM system.

1. A security officer of your company must register with OATI webCARESTM by following the instructions in the OATI webCARESTM registration document. Instructions for the webCARESTM registration are in the document posted on the OATI OASIS home page at www.oatioasis.com
2. Register your company with OATI by completing the OATI webOASIS Company Registration Form. Instructions for Company registration are in the document posted on the OATI OASIS home page at www.oatioasis.com.
3. Register your Users with OATI by completing the OATI webOASIS User Registration Form . Instructions for User registration are in the document posted on the OATI OASIS home page at www.oatioasis.com.
4. The OATI Support staff will process the requests during business hours (M-F 8:00 AM - 5:00 PM CT).

Questions concerning the registration process should be sent to support@oati.net, or contact the support personnel directly at 763-201-2020.

In addition to the Company Registration, please submit the User Account Registration Form to support@oati.net.
