Data Request: KEPCo TFR 2.42::Ref KEPCo 2.33 - A-10 (Wages & Salaries) - WES-Wolf Creek

2.42 In reference to Westar's response to KEPCo 2.33, A-10 (Wages and Salaries), WES, Wolf Creek Westar Share, please provide a detailed explanation for the variance between the two different 2016 amounts reflected for Wolf Creek Westar Share. Also, shouldn't they be the same?

Response:

The amount for labor on Wolf Creek's Form 1 does not include meals. However, this amount is included in the labor information they provide to Westar on a monthly basis and is booked to the labor class field as reported in the KGE FERC Form 1 page 354 footnote. This issue caused the discrepancy even though the numbers should match on both forms. Wolf Creek's Form 1 should have the meals reflected.

Since the amount reported in KGE's FF1, pg 354 footnote is different, Westar will commit to using KGE's FF1 footnote for Wolf Creek labor in the amount of \$49,421,185. This change will be reflected in a reposted June 2017 TFR True-up that will be posted in conjunction with the October 2017 TFR Projection.
