Alcoa Energy Marketing & Trade representing Alcoa Power Marketing LLC (APM LLC), Alcoa Power Generating Inc. (APGI dba APGT), and Alcoa Inc. announces the following changes as of 2000 hours EPT on March 31, 2014

- Alcoa Energy – Marketing and Trade will cease all power trading and marketing activities. These activities will be handled by Cargill Power Markets LLC beginning 2000 EPT March 31, 2014.
- All existing/forward deals with Alcoa Energy will continue to be honored. These existing/forward deals will continue to be monthly settled with our back office. Please direct your invoices on these deals to TradingBackOffice@alcoa.com fax number 215-359-0474.
- All pre-existing forward deals, transmission positions, etc. will be managed (i.e. redirected, scheduled or tagged) by Cargill, as our agent, on behalf of APM LLC and APGI. Please use Cargill IM contacts for scheduling purposes.
- Cargill Power Markets LLC will provide all of the trading and marketing needs of Alcoa and its subsidiaries APM LLC & APGI using Cargill's EEI master contracts and Cargill's credit.
- On March 31st, please use 952-984-0195 to reach the Cargill trading desk for Alcoa energy. If you call the existing trading desk phone (865-977-3553) it should forward you to Cargill Power Markets LLC for a short while. Afterwards, it will then have a recording to redirect you to Cargill at 952-984-0195.
- Staff at Alcoa will be available to answer questions, to discuss long term contracts, custom transactions, and to assist in the transition.
