

### **Planned Transmission Outage Report Maintenance**

Please be advised that MISO will be performing a planned maintenance activity on Friday, January 26th, 2007 from 6:30p.m EST to 9:30p.m EST on the reporting infrastructure and the "Planned Transmission Outage Report" will not be published during this time. Once the maintenance activity is complete this report will be made available to users at its usual publish times.

MISO regrets any inconvenience caused by this activity.
