

### **Transmission Service Schedules Information (05/07/08)**

Information on transmission service schedules can be found on the “MISO Physical Scheduling System (PSS)” located at <https://markets.midwestiso.org/MISO> and is available for download. Transmission service schedules are available for viewing on the PSS in real time and are also available for after the fact review from the PSS when following the links through “Scheduling” and then to “MP Sched”.
